Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

METROPOLITAN HOUSING ALLIANCE

SECTION 3 POLICIES AND PROCEDURES

I. SECTION 3 POLICIES AND PROCEDURES DOCUMENT

Metropolitan Housing Alliance (MHA) has developed this document to identify the applicability of the provisions of 24 CFR Part 135, and actions that will be implemented to ensure compliance with the requirements of Section 3. The intent is to provide information and guidance to residents, developers, general contractors, subcontractors and community leaders regarding MHA's administration of Section 3 regulations. This document is not meant to be a comprehensive narrative of the Section 3 Act; rather it focuses on the requirements imposed on vendors receiving Section 3 funds. MHA staff will make every effort to ensure that all vendors receiving Section 3 funds through the award of a Community development contract are apprised of the requirements, its responsibilities, and obligations under the Section 3 Act.

II. PURPOSE OF SECTION 3

The purpose of Section 3 of the Housing and Urban Development Act of 1968, as amended by Section 915 of the Housing and Community Development Act of 1992, is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed toward low- and very low-income persons or business concerns residing in the community where the project is located.

Income Limits 2020

# in Household	1	2	3	4	5	6	7	8
80% AMI (gross income)	\$40,450	\$46,200	\$52,000	\$57,750	\$62,400	\$67,000	\$71,650	\$76,250

MHA is committed to helping the residents of its communities achieve their goal of self-sufficiency by providing opportunities for training and employment. It is the policy of MHA to utilize Section 3 residents and business concerns in applicable contracts partially or wholly funded with monies from HUD to further the creation of opportunities for economic inclusion of all residents and businesses in MHA.

III. ACTIVITIES COVERED BY SECTION 3

Section 3 covers federal funding expended for housing rehabilitation, demolition, housing construction, or other public construction projects.

- A. Dollar Threshold for direct recipient of HUD funds** - MHA is required to comply with Section 3 regulations if it is awarded HUD grant funds in excess of **\$200,000**, when the funds are used in conjunction with Section 3 covered activities.

B. Dollar Threshold for Developers/Contractors/Subcontractors

Any recipient awarded a contract through MHA (or one of its sub-grantees) that is equal to or greater than \$50,000 is required to comply with Section 3 regulations.

IV. SECTION 3 GOALS

MHA has adopted the goals listed below for hiring Section 3 residents and contracting with Section 3 business concerns. These goals are used to determine compliance with Section 3 regulations and apply to MHA as the direct recipient, sub-grantees, developers, and contractors (as applicable). The goals are further discussed in Section VI and can be referenced in 24 CFR 135.30.

Hiring Goal

- a) Thirty percent (30%) of the aggregate number of new hires shall be Section 3 residents

Contracting Goals

- b) Ten percent (10%) of all covered construction contracts shall be awarded to Section 3 business concerns; and,
- c) Three percent (3%) of all covered non-construction contracts shall be awarded to Section 3 business concerns

V. SECTION 3 PROCUREMENT, PREFERENCES, AND CERTIFICATION

Section 3 Business Concern Procurement and Preferences

MHA has incorporated Section 3 in its procurement policy (see Appendix II) generated for use with HUD funding. The procurement policy provides information concerning the specific procedures that must be followed by MHA and its sub-grantees or developers for implementing Section 3 contracting preferences for each type of procurement method. The preferences in the procurement policy describe the conditions in which Section 3 Business Concerns may be awarded contracts over other qualified sources and also includes preferences that describe conditions in which Section 3 Business Concerns may be awarded contracts over other qualified Section 3 Business Concerns.

Section 3 Resident Preferences

The preferences listed below apply to MHA, sub-grantees and developers and describe the conditions in which Section 3 residents may be awarded employment and training opportunities over other qualified Section 3 residents.

Covered recipients seeking new hires must provide preference to certified Section 3 residents in the following manner:

- a) Section 3 Residents who reside in the service area or neighborhood in which the covered project is located
- b) Section 3 Residents who participate in the DOL Workforce Services/YouthBuild program that is being carried out in the project area
- c) Other Section 3 Residents in the Metropolitan Statistical Area (refer to Appendix I for the definition of a Section 3 resident)

The developer/contractor is responsible for providing documentation of its inability to find Section 3 residents under this preference structure.

Certification

A. Section 3 Business Concern Self-Certification

All businesses seeking Section 3 preference in contracting opportunities may apply to MHA for certification as a Section 3 business concern at (or before) the time of submission of bids. However, Section 3 preference cannot be given until Section 3 status is verified. Any business concern that submits certification for preference after receipt of bid will not be considered eligible for Section 3 preference in the evaluation of the specific bid award. Businesses seeking Section 3 preference must fill out the certification form (see page 22); certification is valid for a period of three (3) years. The certification form must be attached to the bid packet and submitted along with the bid.

B. Section 3 Resident Self-Certification

All persons seeking Section 3 preference in training and employment opportunities must apply to MHA for certification as a Section 3 resident. The Section 3 resident certification form is attached to this document and is located on page 23; certification is valid for a period of three (3) years.

VI. SECTION 3 OBLIGATIONS AND RESPONSIBILITIES

MHA/Sub-grantee Obligations and Responsibilities

Since MHA is a direct recipient of HUD funding for Section 3 covered projects in excess of \$200,000, it is subject to Section 3 requirements for the eligible activities listed in Section III. MHA's sub-grantees (city/village/township recipients) will assume the responsibilities of MHA in situations where they directly implement and carry out the Section 3 covered project. The following list of items describes the obligations and responsibilities of MHA/sub-grantee with regards to complying with Section 3 regulations.

1) Meet Section 3 Goals

Since MHA is the recipient of over \$200,000 of Section 3 covered assistance, it must, to the greatest extent feasible, attempt to meet the hiring and contracting goals identified in Section IV. As stated above, this responsibility is shared with MHA's sub-grantees in situations where they directly carry out a Section 3 covered project. MHA/sub-grantee is also responsible for ensuring compliance with the requirements of Section 3 in its own operations, and those of covered contractors.

If MHA or its sub-grantees have the need to contract with a developer or contractor to carry out Section 3 covered work, it must direct these opportunities to Section 3 Business Concerns. It is MHA's preference to contract directly with a Section 3 Business Concern according to the procurement procedures and preferences listed in Appendix II. If it is not possible to contract directly with a Section 3 Business Concern, it is MHA's preference to contract with businesses that subcontract to Section 3 Business Concerns.

2) Submit Section 3 Action Plan and Summary Reports (Sub-Grantee)

A sub-grantee receiving an allocation of Section 3 covered assistance must complete a Section 3 Action Plan for each covered project and submit to MHA prior to contracting out any funds. The Action Plan is attached as Appendix IV. At the end of each contract, Section 3 Summary Reports must be submitted if applicable.

3) *Incorporate Section 3 Clause and Action Plan*

MHA/sub-grantees must incorporate the Section 3 clause verbatim and the Section 3 Action Plan into all contract solicitations for Section 3 covered projects. The Section 3 clause specifies the requirements for developers/contractors hired for Section 3 covered projects. The clause language is included as part of the Section 3 Action Plan in Appendix IV of this document.

4) *Assist Developers/Contractors in meeting Section 3 goals*

MHA/sub-grantees may assist contractors with little or no experience in achieving Section 3 hiring goals by:

- Providing the developer/contractor with the Section 3 rules, regulations, guidelines, plan and technical assistance/help with understanding the Section 3 Act
- Reviewing the new hire clause with contractors and subcontractors to ensure that the requirement is understood
- Providing the contractor with a list of interested and qualified Section 3 residents for covered projects, as available
- Providing the contractor with a list of previously certified Section 3 Business Concerns interested in covered projects, as available
- Implementing the suggestions listed on pages 20 and 21 of this document

5) *Develop resources to provide training and employment opportunities*

MHA/sub-grantees may develop resources to provide training and employment opportunities to Section 3 program participants by implementing the following:

- Advertise training opportunities by distributing flyers via mass mailings and posting in common areas of public housing developments
- Contact resident councils, resident management corporations, and neighborhood community organizations to request their assistance in notifying residents of available training and employment opportunities
- Advertise employment opportunities by posting job vacancies in common areas of all public housing developments as well as contacting resident councils, resident management corporations, and neighborhood community organizations
- Create a database of certified Section 3 residents and Business Concerns that can be used by contractors as a resource for selecting and hiring or contracting with Section 3 residents and/or Business Concerns
- Implement the suggestions listed on pages 20 and 21 of this document

6) *Conduct Section 3 Meeting*

Once Section 3 covered assistance has been awarded, MHA/sub-grantee may schedule a meeting with the awardees to discuss Section 3 requirements and responsibilities. The meeting may include the developer, contractor and MHA personnel assigned to the project.

7) *Review Section 3 Self-Certification Forms*

MHA is responsible for collecting, reviewing, and approving all Section 3 Resident and Business Concern self-certification forms. Names and businesses will be added to the Section 3 Resident and Business Concern database, as authorized.

8) Submit Reports

MHA is responsible for submitting the HUD-60002 form on an annual basis.

9) Establish procedures for non-compliance

MHA is responsible for establishing procedures to prevent award of funds to sub-grantees, developers or contractors who fail to meet Section 3 requirements.

Developer/Contractor Obligations and Responsibilities

The following list of items describes the obligations and responsibilities the developer/contractor has with regards to complying with Section 3 regulations.

1) Meet Section 3 Goals

The developer/contractor is responsible for meeting the Section 3 goals listed in Section IV, to the greatest extent feasible. If there is the need to hire new persons to complete the Section 3 covered contract or the need to subcontract portions of the work to another business, the developer or contractor is required to direct their newly created employment, training, and/or contracting opportunities to Section 3 residents and Business Concerns in accordance with the preferences identified in Section V and Appendix II.

The developer/contractor must implement progressive efforts to attain Section 3 compliance. Contractors that fail to meet the numerical goals bear the burden of demonstrating why it was not possible. Such justifications should describe the efforts that were taken, barriers encountered, and other relevant information that will allow MHA staff to make a determination regarding compliance.

2) Submit Section 3 Action Plan

DEVELOPER - When a developer submits a bid or proposal to MHA or one of its sub-grantees, it must complete a Section 3 Action Plan and submit it as part of the bid proposal. The Section 3 Action Plan is attached as Appendix IV.

CONTRACTOR – When a contractor submits a bid to MHA, a sub-grantee, or to the developer, it must complete a Section 3 Action Plan and submit it as part of the bid proposal. The Section 3 Action Plan is attached as Appendix IV. If the awarded contractor has the need to subcontract work and the subcontract is in excess of \$100,000, the contractor shall require a Section 3 Action Plan from each potential subcontractor under the particular bid. The contractor is responsible for ensuring that the subcontractor also complies with Section 3 regulations.

3) Incorporate Section 3 Clause

The developer and/or contractor must incorporate the Section 3 clause into all contract solicitations for Section 3 covered projects that are equal to or greater than \$50,000. The Section 3 clause specifies the requirements for contractors/subcontractors hired for Section 3 covered projects. The clause language is included as part of the Section 3 Action Plan in Appendix IV of this document.

4) Notify Section 3 Residents and businesses about training/employment and contracting opportunities

The developer and/or contractor may notify Section 3 residents and businesses by implementing the following:

- Advertise training opportunities by distributing flyers via mass mailings and posting in common areas of public housing developments
- Post available jobs with Workforce Services
- Contact resident councils, resident management corporations, and neighborhood community organizations to request their assistance in notifying residents of available training and employment opportunities
- Advertise employment opportunities by posting job vacancies in common areas of all public housing developments as well as contacting resident councils, resident management corporations, and neighborhood community organizations
- Implement the suggestions listed on pages 20 and 21 of this document

5) Submit Section 3 Summary Spreadsheet

At the completion of each contract, the developer and/or contractor must submit the Section 3 Summary Spreadsheet to MHA. This spreadsheet indicates the number of Section 3 residents hired and the number and dollar amount of contracts awarded to Section 3 Business Concerns (out of the total numbers of persons hired and total number/dollar amount of contracts awarded). The spreadsheet is included as part of the Section 3 Action Plan and is located on page 25.

This requires cooperation from sub-grantees, developers, and contractors in submitting a summary spreadsheet (included in Section 3 Plan) at the conclusion of each covered contract. The summary spreadsheet is located on page 25 of this document.

VIII. INTERNAL COMPLAINT PROCEDURE

In an effort to resolve complaints generated due to non-compliance, MHA encourages submittal of such complaints as follows:

- Complaints must be filed within thirty (30) calendar days after the complainant becomes aware of the alleged violation.

Section 3 Contract Clause – the contract provisions set forth in Section 135.38

Section 3 Covered Contracts – a contract or subcontract (including a professional service contract) awarded by a recipient or contractor for work generated by the expenditure of Section 3 covered assistance, or for work arising in connection with a Section 3 covered project.

Section 3 covered contracts also do not include contracts for the purchase of supplies and materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a Section 3 covered contract.

Section 3 Covered Project – the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

Section 3 Resident – a public housing resident or an individual who resides in the metropolitan area or non-metropolitan county in which the Section 3 covered assistance is expended and who is considered to be a low-to very low-income person.

Subcontractor – any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor's obligation for the performance of work generated by the expenditure of Section 3 covered assistance, or arising in connection with a Section 3 covered project.

Vendor – any entity (other than an employee of a Consortium Member) which sells goods or services to the Consortium or Consortium Member

Very low-income person – families (including single persons) whose income do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

SECTION 3 BUSINESS CONCERN PROCUREMENT & PREFERENCES

Appendix II

MHA reserves the right to require sub-grantees, developers, and contractors to abide by the following Section 3 procurement procedures when awarding contracts for Section 3 covered projects. Specific procedures are discussed for each type of procurement method.

For ALL procurement methods, when more than one qualified Section 3 business concern submits a bid or quote, the contracting party must provide preference to certified Section 3 business concerns according to the priority ranking below:

- a) **Section 3 business concerns that provide economic opportunities for Section 3 residents in the service area or neighborhood where the Section 3 covered project is located**
- b) **Applicants selected to carry out DOL YouthBuild programs**
- c) **Other Section 3 business concerns in the Metropolitan Statistical Area (refer to Appendix I for the definition of a Section 3 business concern)**

The sub-grantee, developer, or contractor is responsible for providing documentation of its inability to find Section 3 business concerns under this preference structure.

Small Purchase (>\$5,001 - \$20,000)

Written quotations must be obtained from an adequate number of qualified sources (typically three). At the time of solicitation, the parties must be informed of:

- The Section 3 covered contract to be awarded with sufficient specificity;
- The time within which quotations must be submitted; and
- The information that must be submitted with each quotation

Award

The contract shall be awarded to the qualified Section 3 business concern with the highest priority ranking and with the lowest responsive quotation, if it is reasonable and no more than ten percent (10%) higher than the quotation from the lowest responsive non-Section 3 qualified business concern. If no responsive quotation by a qualified Section 3 business concern is within ten percent (10%) of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

Competitive Sealed Bids (≥\$20,001 – Construction)

Sealed bids should be used for all construction contracts or for goods that cost \$20,001 or greater. Bids shall be solicited from all businesses (Section 3 business concerns and non-Section 3 business concerns). An award shall be made to the qualified Section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid:

- a) Is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and
- b) Is not more than "X" higher than the total bid price of the lowest responsive bid from any qualified bidder. "X" is determined as follows:

When the lowest responsive bid is:	"X" = lesser of:
less than \$100,000.	10% of that bid or \$9,000
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000
\$7 million or more	1 ½% of the lowest responsive bid, with no dollar limit

If no responsive bid by a Section 3 business concern meets the requirements listed above, the contract shall be awarded to a qualified bidder with the lowest responsive bid.

Competitive Sealed Proposals (≥\$20,001 – Professional Services)

A Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.

One of the evaluation factors shall address both the preference for Section 3 business concerns (see priority ranking above) and the acceptability of the strategy for meeting the greatest extent feasible requirement (Section 3 strategy), as disclosed in proposals submitted by all business concerns (Section 3 and non-Section 3 business concerns). This factor shall provide for a range of 15 to 25 percent (15% – 25%) of the total number of available points to be set aside for the evaluation of these two components.

The RFP shall require the disclosure of the contractor's Section 3 strategy to comply with the Section 3 resident and business concern preference structure. A determination of the contractor's responsiveness will include the submission of an acceptable Section 3 strategy. The contract award shall be made to the responsive firm (either Section 3 or non-Section 3 business concerns) whose proposal is determined most advantageous, considering price and all other factors specified in the RFP.

SECTION 3 QUICK SUMMARY

Appendix III

WHAT IS SECTION 3?

Section 3 of the Housing and Urban Development Act of 1968 recognizes that HUD funding typically results in projects/activities that generate new employment, training, and contracting opportunities. SECTION 3 GOALS

2. 10 percent (10%) of all covered construction contracts shall be awarded to Section 3 Business Concerns.
3. 3 percent (3%) of all covered non-construction contracts shall be awarded to Section 3 Business Concerns.

Efforts to meet these goals must be made to the greatest extent feasible and all efforts taken must be documented accordingly.

SECTION 3 CLAUSE

All Section 3 covered contracts shall include the following clause (Part 135.38):

A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.

C. The contractor agrees to send to each labor organization or representative or workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
